Avon Walk for Breast Cancer Boston, is a two day, marathon and a half (39.3 miles) event. This year's Walk will take place in Boston during the weekend of May 17-18, 2008. The goal of the Walk is to raise money and awareness for the fight against breast cancer. Registered Walkers commit to fundraising a minimum amount to participate in the Walk. We are looking for volunteers and interns to help us support the Walkers as they train and fundraise; plan and staff the pre-event functions such as the Great Start Party, Expo and Connection Nights; cultivate community outreach opportunities; assist with the logistics of planning the event itself.
